BUILT FOR GLOBAL DANCEFLOORS.

SPANISH-BORN. VENEZUELAN ROOTS. BANGKOK-BASED.

Chazin is a Spanish-born DJ and producer of Venezuelan descent. He started DJing at 14 and has been performing professionally since 2005, delivering peak-time Tech House infused with Latin groove and percussive energy. His career has taken him from the heart of Europe's club scene to stages across Europe, Asia and the Americas — from Pacha Ibiza and Bora Bora Ibiza to Nikki Beach Marbella, Maya Music Festival and Summer Daze.

After relocating to Asia, he held a residency of more than 300 shows at Illuzion Phuket, a DJ Mag Top 100 club, becoming a fixture of the region's international circuit.

Today, based in Bangkok, Chazin builds his sets around groove, tension and release. As founder of Magna Beat Records, he is driving the global rise of Latin-inspired Tech House.

In the studio, he treats every record as an extension of the dancefloor: rolling basslines, hypnotic vocal hooks and Latin percussion shaped by years of reading crowds night after night. With new music on the way and an expanding international calendar, his mission remains the same — to bring the warmth of Latin rhythm to the world's most demanding dancefloors.
